Kirjeldus / Kommentaarid

Buster XXL 150 HP – Exceptional Condition, Full Fishing Setup
Well-maintained Buster XXL in excellent condition, registered in Estonia, originally imported from Finland.
Only 162 engine hours on the Honda BF150 — extremely low for a 2011 boat.
Professionally upgraded in 2025:

Garmin Panoptix livescope system
Minn Kota electric trolling motor
Garmin fishfinder/depthsounder
New riding cover and transport cover
New Respo trailer

Additional highlights:

Full service history documented
Premium wrap: matte black with orange accents
Watersports package included: water skis, kneeboard, towable tube
Ready to launch immediately

Perfect for serious fishing or family days on the water. A rare opportunity to get a fully equipped turnkey setup without the hassle of sourcing extras separately.
Located in Harjumaa, Estonia. Viewings welcome by appointment.
